

## Batch Process Output Email

In Batch Process, after submitting each batch the Robot must send an email to batch Operator for each batch with new transaction number, here is the sample templet of email.

The screenshot shows an email client window titled "Submitted New Batch - Transaction Number - [Transaction Number]". The interface includes a ribbon with tabs for File, Message, Insert, Options, Format Text, Review, and Help. The Message tab is active, showing a toolbar with icons for Paste, Bold, Italic, Underline, Text Color, Background Color, Bulleted List, Numbered List, Indent, Outdent, Address Book, Check Names, Attach File, Link, Signature, and Assign Policy. Below the ribbon is the "Send" button and fields for "From", "To" (containing "[To Email ID]"), "Cc", and "Subject" (containing "Submitted New Batch - Transaction Number - [Transaction Number]").

The email body contains the following text:

Dear Team,

New batch has been submitted on [Date & Time].

Here you can find Batch Details...

Batch Code	[Batch Code]
Max Version	[Max Version]
Min Version	[Min Version]
Batch Run Date	[Batch Run Date]
Order Type	[Order Type]
Transaction Number	[Transaction Number]

Thanks
